Course expiry

There is an extendable access period of 6 months set for the course. An admin fee of £30 is charged for each time the course is extended. If the access lapses it can still be extended anytime within a period of 3 years from the date the access period lapsed.

If a course remains dormant for more than 3 years, (has lapsed and not been extended within a period of three years) it will be terminated and the log in removed.

Once a student has passed the assessment their course is complete and their access terminated.

Internet access

Students must have access to the internet and email to complete the course.

Users

The course is not transferable and access is for the applicant only.

Compatibility

Please check that the free trial runs on your device before booking.

The courses do not use a platform so work on most devices including Ipad, Iphone, PC, Mac, Android etc.

There are some issues with the free chart plotter simulator provided by the RYA. It works on PC and Mac but not on mobile devices. It is not essential to the courses so can be worked around if a student does not have access to the PC based units.

Pre course knowledge

You should be at the correct level for the course being taken. No previous experience is required to take the Day Skipper theory course, Day skipper theory is required for the Coastal Skipper/Yachtmaster Offshore theory and Coastal/ Skipper / Yachtmaster Offshore theory is required before taking the RYA Yachtmaster Ocean theory course.

Navathome reserves the right to change Coastal Skipper / Yachtmaster Offshore theory course to a Day Skipper theory course if you are not at the required level or cannot produce a copy of your Day Skipper theory certificate.

Navathome reserves the right to change a course from Coastal Skipper / Yachtmaster Offshore theory course to Day Skipper theory if it becomes apparent that you do not have the required pre course knowledge or do not hold a current Day Skipper theory certificate.

If you have completed the Day skipper practical course but not the Day Skipper theory course then you need to complete the fastrack to Coastal Skipper / Yachtmaster Offshore course.

Your booking is accepted on the basis that you have assessed the given information on pre course requirements and have booked the correct course for your current level of knowledge and experience.
